Amaj7 F#m7
First light dawning on a new horizon
Amaj7 F#m7
bringing the future to view,
Dmaj7 C#7 F#m7
I see hope in the eyes of a new generation,
Bm Esus4 E
do you see it too?
Amaj7 F#m7
Can we believe in a brighter tomorrow,
Amaj7 F#m7
when redemption seems light years away?
Dmaj7 C#7 F#m7 B
2000 years on this road into freedom
Bm Esus4 E
trying to find a way

Refrain:

A Bm E
The children of hope (we are the children)
A Bm7 E
Are leading the way (we are the future)
D C#7 F#m B7
A beacon burning bright, to illuminate the night,
Bm7 E A Bm7 / | E |
First light of the dawning of the age to come.
