Verse 3:

I prayed for the day  
we'd all have justice and freedom  
and I prayed that one day  
people in power would rule with wisdom  
I prayed for the child with no one to protect them  
I prayed for a miracle

CHORUS:

Lord, in your mercy will you listen to my prayer  
Lord, in your mercy lend this sinful child an ear  
Where two or three are gathered  
you said that you'd be there  
so we pray for a miracle  
....(refrain)....
